BRAND INTRODUCTION

Our company is a manufacturer of pet food and supplies, with products including cat food, dog food, pet treats, and pet supplies. We prioritize innovation and R&D in pet products, continuously launching new styles and products to meet both customer needs and market demands.

The company is constantly optimizing its supply chain system to reduce production costs, thereby providing support for customers to gain an edge in market competition. Currently, we have provided OEM and ODM contract manufacturing services for over 200 brands. Our own brands, ZMX and DIYAZI, have earned high 03 recognition in the Chinese consumer market.

PET TREATS

SERIES

The pet treat series is rich and diverse. It enhances the joy between pet owners and their pets while providing nutritional supplements for pets. The product range includes pet cans, freeze-dried foods, and foods combining fruits and meats, among others.
